Leroy/Beth:

I got this from Carson. He indicated this is only applicable to our project (EPA/TCEQ). This may be helpful in the cost estimates.

Thanks

Hi Gary,

Please see the attached list of surcharges.

Thanks,
Carson

I was wondering if I could get a list of Veolia's surcharge schedule so I could estimate the potential costs for TCEQ since they will be assisting us with disposal on some additional sludges associated with the cleanup at this site.
